Youth Deer Hunt*:

November 12-18, 2005 Private Lands Only

* Youth eligible to participate in this special hunt are those fifteen (15) years of age and younger. Each youth must be in the immediate vicinity and under the direct supervision of an adult twenty-one (21) years of age or older. Furthermore, if the child is under the age of twelve (12), the supervising adult must be a licensed or exempt hunter. Both youth and adult must wear hunter orange, except while the hunters are in a fully enclosed deer stand. Archery hunters must wear hunter orange while this special hunt is in effect. Legal bucks and antlerless deer may be harvested .

U. S. Fish and Wildlife Service and U. S. Army Corps of Engineers managed lands:

These lands are authorized to provide youth deer hunting opportunities on days designated by Federal Regulations. Contact local National Wildlife Refuge or Corps of Engineers for details.

These lands are authorized to harvest antlerless deer on days designated by Federal Regulations. Contact local National Wildlife Refuge or Corps of Engineers managers for details.

Bag limit:

Antlered Buck Deer:

The bag limit on antlered buck deer is one (1) buck per day, not to exceed three (3) per license year.

Zone 1 Legal Buck:

Only antlered buck deer with antlers of four (4) points or greater may be taken. An antler point is defined as any antler protrusion that would hold any size ring.

Zone 2 Legal Buck:

Only antlered buck deer with antlers of four (4) points or greater AND either a minimum inside spread of ten (10) inches OR a minimum main beam length of thirteen (13) inches may be taken. An antler point is defined as any antler protrusion that would hold any size ring.

Statewide:

Any antlered deer may be taken by permit if it is necessary to manage deer on lands under the Deer Management Assistance Program (DMAP) or on wildlife management areas. A

written management justification issued by the Department of Wildlife, Fisheries, and Parks must accompany any request for such a permit. Any antlered deer harvested under this permit must be identified with a tag immediately upon possession. When being transported from the hunting area, all deer or parts thereof harvested under these permits must be tagged. Antlered deer taken by permit shall not be subject to the daily bag limit nor the annual bag limit on antlered deer.

One (1) antlered deer with any hardened antler (regardless of number of points, main beam length, or spread) may be taken per license year on private lands by a person less than sixteen (16) years old.

Antlerless Deer:

The bag limit on antlerless deer is one (1) per day, not to exceed three (3) per license year; except that two (2) additional antlerless deer per license year may be taken with a bow and arrow. The annual and daily bag limit on antlerless deer shall not apply to private lands under the DMAP or the Fee-based Antlerless Program (FMAP) as approved by the Department. However, all harvested antlerless deer that exceed an individual hunter's daily or annual bag limit must be tagged prior to moving with a DMAP or FMAP tag provided by the Department.
